Bonnie,

We haven't been friends for very long, but I hope we can become close friends this year. I'm glad we started talking to each other when we were "clowning around" for Muscular Distrophy. I hope you will help me since I am 1983 co-ordinatory for our M.D. drive. It's fun & hard work & it's for a good cause.

I'm glad you started working at McDonald's. You are sweet, crazy, & I think you are pretty too! I wish I had your blue eyes!!

We've had some crazy times at McD's and I hope we have many, many more. Try not to let the bad things at McD's get to you. Just work hard and HAVE A GOOD TIME!

I hope you have a <u>super</u> SENIOR year. I'm sure going to try to have a good time this year.

I want to wish you all the luck in the world with [redacted] and all through life. I know you'll be a success in all you do.

Do you remember waiting to see what changes the new principal would make . . . taking a test while listening to a jack-hammer . . . walking in the rain and mud to get from English to the vocational building . . . dashing to the cafeteria and still having to stand in a long line . . . waiting impatiently to make those important phone calls . . . meeting the exchange students . . . working frantically to finish those Homecoming floats . . . cheering as the band marched through the building during Homecoming (a first!) . . . getting exempt from exams . . . being dismissed from school because of the heavy snowfall?

SPIRIT

FEVER

School spirit was great during the '81 season. The Chargers made several outstanding plays in many of their games, and "spirit fever" seemed to spread through the school. The "fever" reached its peak during Homecoming week, and many students saluted the Chargers and "The World of Books" by making signs, decorating halls, building floats, and dressing as their favorite fictional characters.

"Spirit fever" was clearly evident during the Homecoming parade, and the judges decided that D.E.C.A.'s "Top Ten Best Sellers," F.F.A.'s "Gone With the Win," and the seniors' "Chargers' Web" were the best floats.

Spirited band members raised the "fever" several degrees when they marched through the halls and led the students to a fantastic pep rally. Many juniors were upset when the seniors won the "Spirit Stick," but freshman **Beth Rice** said that she hoped "spirit fever" would continue.

People

It's the people that make this place tick, and CHS has many students who have done something unique, unusual, or unforgettable!

Did you know that **Tommy Parks** won the Golden Gloves Championship . . . **Larry Colburn** and **Jimmy Miller** were invited to join a rifle team competing for the Governor's Trophy . . . **Mike Turner** won one hundred dollars at the Mid-South Fair . . . **Deanna Rone, Susan Perkins, Kelly Cammack, Mary-Elizabeth Sloan, Lynn Matthews, Pam Coleman, Lisa Holland, Connie Dyson, Teresa Malone, Sylvia Harris,** and **Saundra Rose** studied government in Washington D.C. . . . **Clyde Nolan** didn't miss a day of high school until February of his senior year . . . **Jo Lynn Wallace** toured Europe with an honor band and chorus . . . **Jennifer Hatcher** collected miniature bottles . . . **Robbie Williams, Lisa Ferrell,** and **Jackie Swords** won special service awards for helping the needy . . . **Jackie Tipton** was a Private E-2 in the National Guard?

FADS AND FAVORITES

A poll conducted by the **Spirit-Staff** revealed that CHS students had a wide variety of "fads and favorites."

Apparently we liked to sleep, party, and participate in sports in our spare time. Many of us also liked to spend time on the latest video games and the Rubik's cube.

Fall Guy, Dallas, and **General Hospital** were our favorite T.V. shows, and **Raiders of the Lost Ark, Endless Love,** and **Blue Lagoon** were our favorite movies. We liked the musical groups **Journey, AC/DC,** and the **Commodores,** and "Grapevine," "Angel is a Centerfold," and "Don't Stop Believing" received our votes for best songs.

Most of us liked to wear **Lee, Levi** or **Chic** jeans and T-shirts with a message. "Chargers" and "Class of '82" were among the most popular sayings, but **Danny Winberry** liked "I'm Beautiful," **Terry Hensley** preferred "Jim's Fish House," and **Thelma Williamson** favored "Pobody's Nerfect."

When it came to cars, our favorites were the **Camaro, Trans Am,** and **280 ZX.** On the local scene we said that **Kelly Max** had the classiest car and **John Smith** the classiest truck.

Page 10 — (1) Sleeping is one of **Lynnelle Knipple's** favorite pastimes. (2) **Snake Embry** displays a favorite T-shirt. (3) **Wesley Fowler** "solves" the Rubik's cube. OUT TO LUNCH

The students who clock-watched during third and fourth periods were all awaiting their signal for A, B, or C lunch. Although many of the students complained about the food, almost everyone seemed to be anxious to be first in the long lines in the cafeteria.

After selecting a hamburger for 45¢ or a full meal for $1.30, most students rushed to meet special friends at "reserved" tables. (Just ask **Ken Whitley, Ronnie Elkins,** and **Gerald Boyce** or **Beth Rice, Kathy McCool,** and **Ashley Fisher.**)

Those who didn't elect to join friends in the cafeteria seemed to favor meeting in front of the gym to gossip or to discuss last period's test. (Isn't that so, **Lisa Ferrell** and **Trisha Marbry?**)

No matter what we ate or where we met, everyone wished lunch periods were an hour and classes thirty minutes!

SCHOOL'S OUT

"School's Out" did not mean the day was done for most CHS students. Although many teachers gave tons of homework, we still found time to cruise around, work at various places around town, and participate in many different sports and games.

The weekends found many of us getting ourselves ready to meet friends at the parking lots of Dairy Castle, Wakefield's or Big Star. Of course, some of us were lucky enough to attend the AC/DC concert, see a movie, go skating, or play basketball at Frayser Courts.

Inflation made things difficult, but many of us worked and managed to save for college, buy those designer jeans, or pay that $1.20 per gallon of gas.

Most of us also managed to find time and money for our favorite "sports." Hunting proved to be a real challenge to **Bob McIntyre** a and **Darren Waits,** and "mudding" provided excitement for **Jay Pinckley** and **Wade Mitchell. Brian Max** and **Steve Marshall** had fun playing "Defender Stargate" at Sidestreet, and all of us enjoyed the days we were out of school because it snowed and snowed and snowed.

Page 14 (1) **Mr. Hensley** and several students are surprised by the first snowfall. SENIORS AT CHS

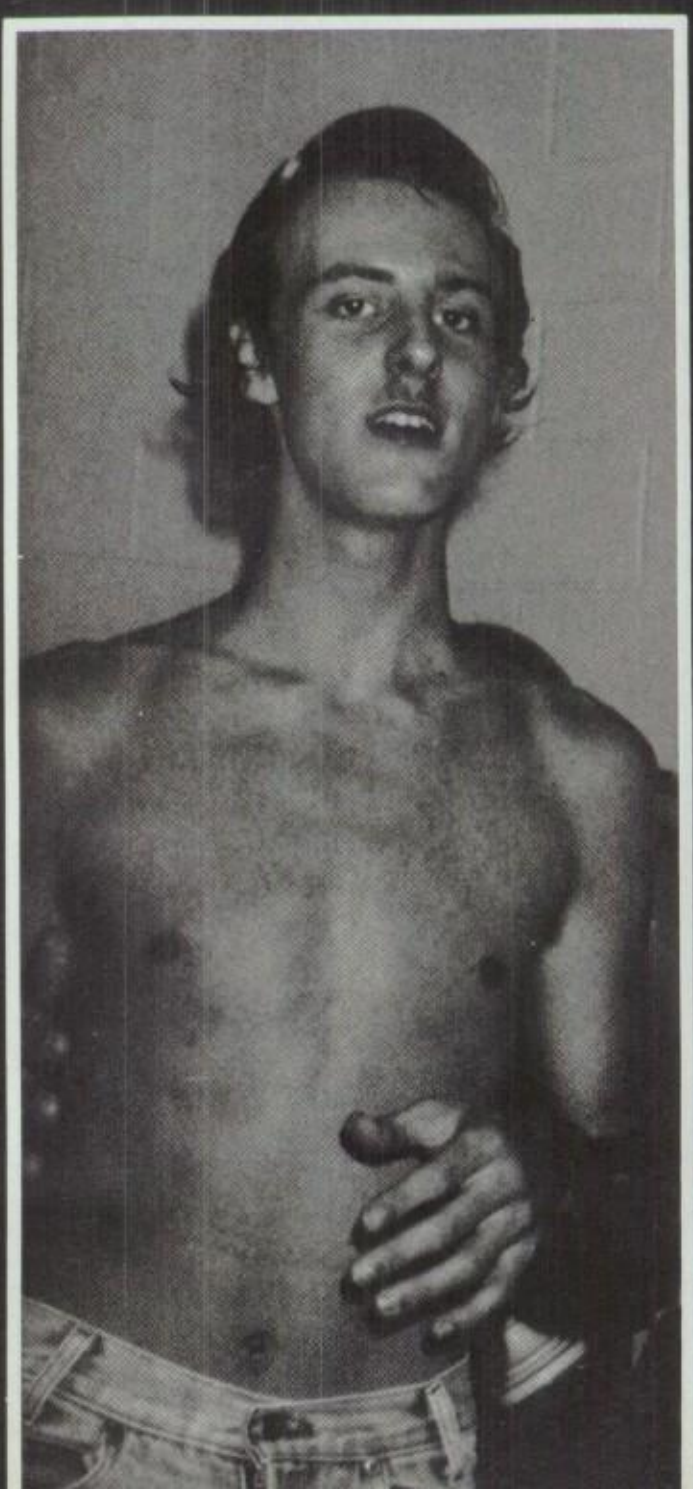
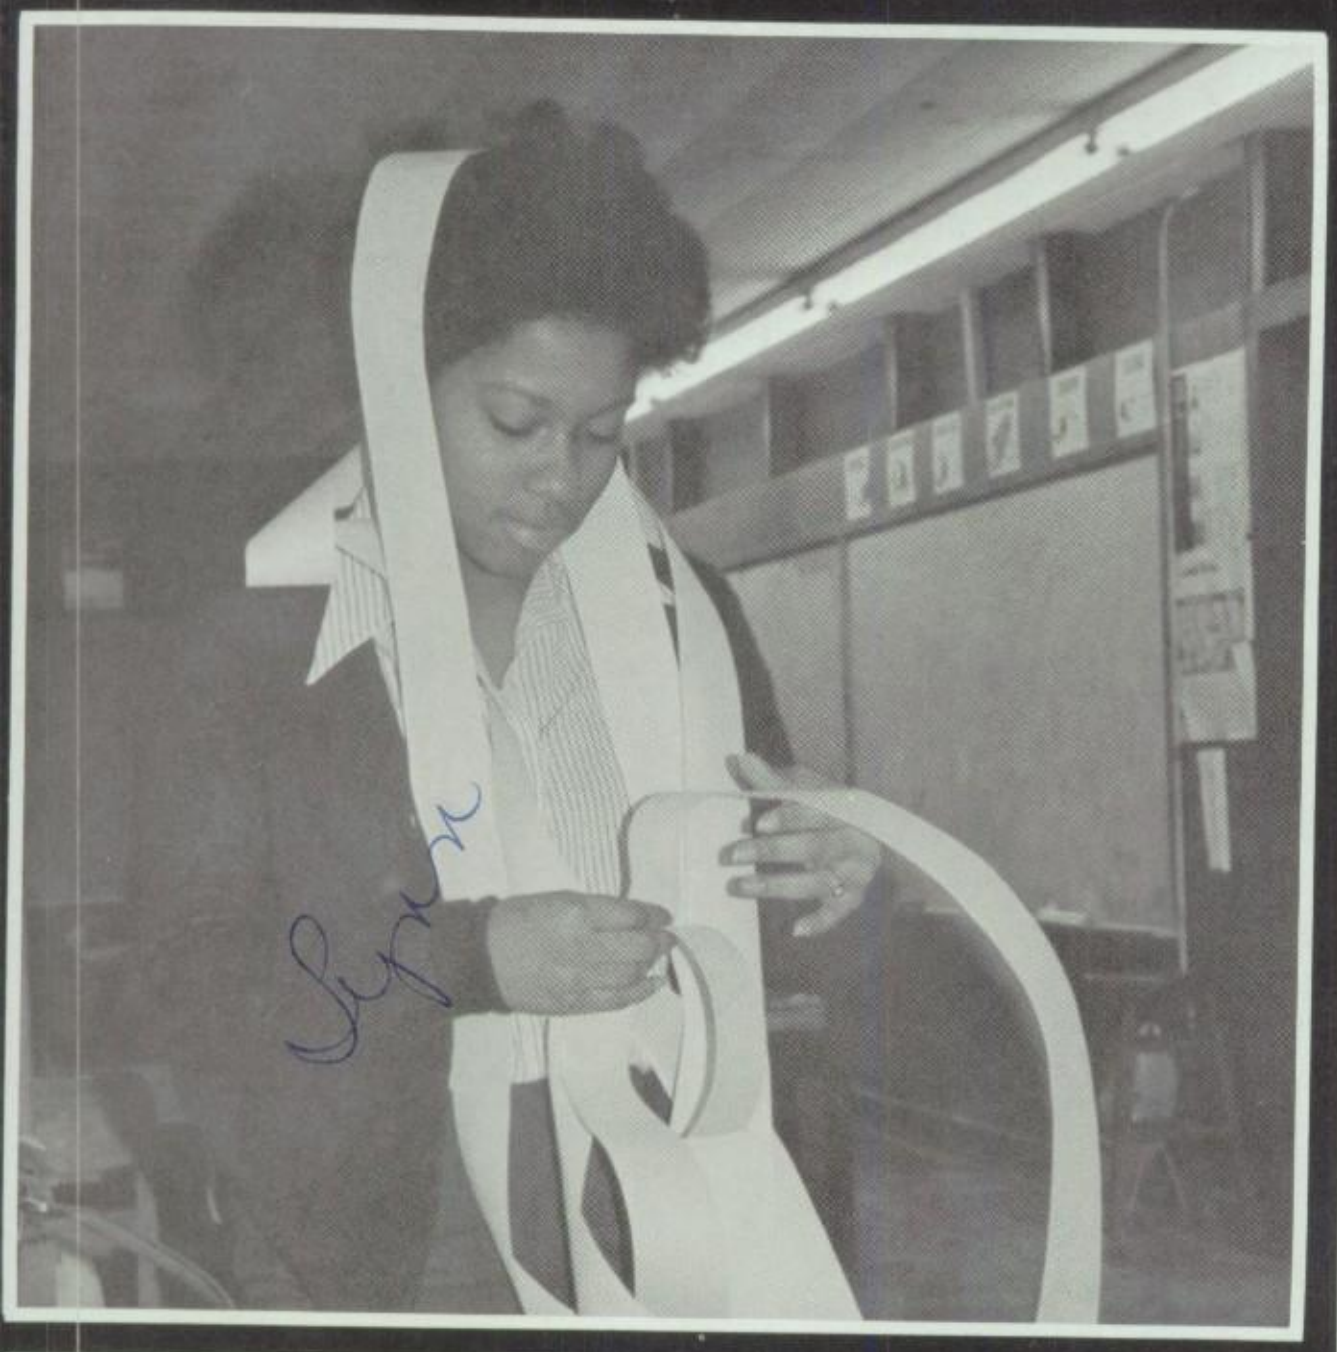
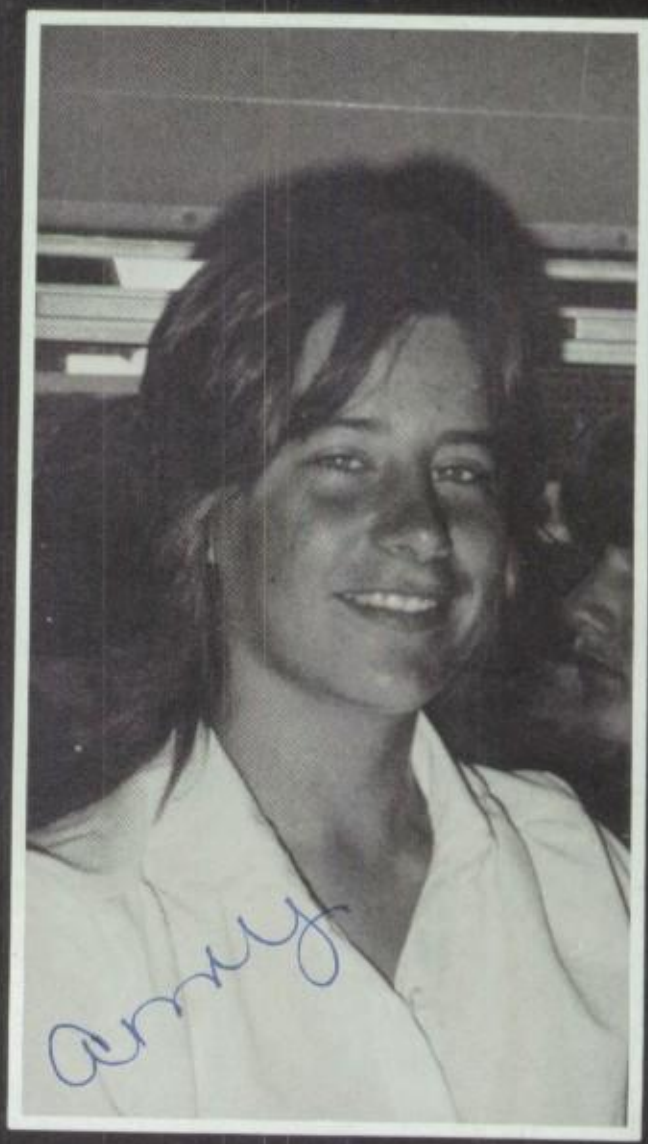
SOPHISTICATED







MURDER AT CHS

This year many seniors and **Miss Avonne Wortham** were involved in several murders. They planned and plotted for weeks. Fortunately, it was all make-believe. The seniors were presenting the **Bad Seed,** a play about a "perfect" little girl who kills anyone who gets in the way of what she wants.

The play was presented in the Crestview Cafeteria and those attending the performances on Friday and Saturday were treated to a delicious dinner and were entertained by members of the chorus before seeing the play.

The cast and crew did an excellent job, and it was evident that a lot of work went into the production. Miss Wortham summed up everything very well when she stated "Every year I have mixed emotions about closing performances. I am glad, yet sad they are over. This year's cast has done a wonderful job of acting the hardest, most professional play I have ever directed. Congratulations!"

May 28, 1982 was the big night! Filled with pride, family and friends watched attentively as the seniors marched onto the football field, and the commencement exercises began.

Valedictorian **Todd Lee**, salutatorian **Darlene DuPriest** and co-salutatorian **Elaine Smith** made inspirational speeches, and **Rev. Baylon Hilliard** delivered the baccalaureate sermon. Then, **Superintendent Hyatt Williams** presented diplomas to 200 excited seniors.

In addition to diplomas, several seniors earned special honors and recognition. **Gary Ward, Tim Cousar, M.C. Wilder, Beth Wilson, Lisa Smith, Arlene Gibbs,** and **Jolynn Wallace** rounded out the prestigious list of top ten graduates, and **Todd Lee** and **Rose Kent** were the winners of the American Legion Citizenship Awards. Further, **Todd Lee, Darlene DuPriest, Elaine Smith, M.C. Wilder, Sylvia Harris, Dan Chapman, Jay Pinckley, Gary Ward,** and **Tim Cousar** won academic scholarships to various colleges and universities.

The Chargers In Action

Although the Chargers struggled through a difficult season, **Coach Bill Bona** said that the team gained valuable experience and he expected to have a great season in 1982. As highlights of the '81 season Coach Bona cited the 20 to 0 win over Munford and the overtime victory against Ripley.

When asked what he thought was the high point of his last season, senior **Brent Smith** replied, "I'll always remember kicking the winning point in the game at Ripley." Exchange student **Jonas Norrbom** said that he would never forget kicking a 44 yard field goal and **Ray Matthews** stated that he was elated when he rushed for 222 yards in the Savannah game.

Freshman Season Ends In Victory.

Most members of the ninth grade team had never played organized football before, and they really learned the meaning of "green freshmen." They battled their way through a tough season and lost to Dyersburg, Ripley, Brownsville, Bartlett, and Briarcrest. However, they finally knew the "thrill of victory" when they beat Munford 30 to 16. Next year's varsity team should greatly benefit from their hard won experience!

CHEERLEADERS GIVE SIDELINE SUPPORT

Varsity Squad Makes Top 10

There's more to cheerleading than meets the eye. Right after tryouts were held, the 81-82 varsity football cheerleaders planned for the upcoming summer and football season.

Many days of the summer were spent practicing cheers and pyramids and raising money to go to cheerleaders camp at Tennessee Tech in Cookeville. We washed cars, held bake sales, raffled off $100 and worked for the Jaycees during the Bar-B-Que Festival to defray our expenses to camp.

Early on a July morning, we piled into the Charger van and headed for camp. During the week we learned new cheers, pyramids, partner stunts and dance routines. We were evaluated on home cheers and received 2 blue ribbons and 3 red ribbons. We also won a gold ribbon for being named to the list of **Top 10 Squads!**

The work didn't stop after we got back from camp. We cheered at ballgames and pep rallies, practiced, bagged candy to decorate the locker room, practiced, painted and hung signs and practiced, practiced, and practiced!

Our busiest week was homecoming. Together, the varsity and freshmen football cheerleaders worked to make homecoming special. During that week, we made a huge sign for the goal posts, marched in the homecoming parade, filled piñates with candy and blew up ballons for celebration at Friday night's game.

Was providing "sideline support" worth the effort? Most of the squad agreed that camp and cheering at the games was fun. We also agreed that there was a lot of hard work behind the scenes. Laura Smith and Chris Whitley summed it up best when they said, "It's not easy being a cheerleader when no one else wants to cheer with you."

The 1981 Varsity Football Cheerleaders were as follows: (bottom row) **Angelia Whitley, Glenda Whitley, Chris Primo** (captain), **Donna Clay,** and **Laura Smith.** (top row) **Stacey Click, Chris Whitley,** and **Kim Nichols.**

THE COURT SPORT

Thrills and chills in abundance were provided by the 1982 Chargers of CHS. They played a schedule of tough opponents, compiled a 23 to 8 record, and scored 1703 points for an average of 65 points per game. **Willie Holland, Bob Williams, Andre Alston, Ray Matthews,** and **Perry Adams** provided much of the scoring punch.

The big night for CHS fans came against **Jackson Central Merry.** Winning this game qualified the Chargers to enter the sub-state finals held in Memphis, TN. The battles against Bolivar, JCM and Brownsville were also very exciting contests. These games demonstrated the fight and determination of the team throughout a largely successful season in terms of games won. Although CHS lost to Central High School at sub-state, the team would still tell anyone what a good coach **Glenn Tackett** is!

Chargers Sound Off

Hey guys! Now's your chance to give the world a piece of your "basketball" mind.

Andre Alston: "My advice to next year's players would be to play hard and to play every game like it was a sub-state game because nobody remembers an almost-made-it. People only remember who made it all the way!"

Willie Holland: "Practice isn't hard, but you have to want to win. Even though we didn't reach our goals this year, we are going to try even harder next year!"

Ray Matthews: "I think the team played exceptionally well and we became very close. I think without doubt we will win state next year!"

Perry Adams: "I think we had great leadership. Coach Tackett was hard nosed, but it helped us play to our full capability."

Bob Williams: "I think the team played well, but I wish the crowd would have supported us more."

Leslie Adams: "With my help we shall go farther next year!"

Coach Tackett: "I was very suprised in being named number one coach in the district. I am proud of the team, and going to sub-state couldn't have happened to a better group of young men. The team showed great spirit in wanting to win. It was the first time a team from Covington had been to sub-state in a number of years."

CENTERS OF ATTENTION

The 1981-82 Lady Chargers ended the season with a 13-16 record. Despite the fact that they only won 13 games, they still racked up 1098 points for an average of 44 points per game. **Veronica Robinson, Anita Wilson, and Saundra Rose** scored the most points this season. Included in this tough season were a grueling triple overtime loss during the Christmas Tournaments and an overtime win against Savannah by a score of 58-56.

Fortunately, the outstanding talent of **Veronica Robinson,** and **Anita Wilson** did not go unrecognized. Both **Veronica** and **Anita** made the All District team and received scholarships to Lane College. When asked for comments, Anita and Veronica remarked that they enjoyed playing basketball and hoped future players got as much satisfaction out of the game as they did.

Frosh Start Out Right

14-1 Season Shows Strength

"This year's team had a lot of desire and hustle." This quote by **Coach Henry Glass** really summed up the 1981-82 freshman basketball squad. The freshman Chargers won the District Tournament and ended the year with 14 wins and 1 loss. With this kind of winning power, next year's varsity should be dynamite!

Some "quotable quotes" from the freshmen:

Tim Holland — "I enjoyed my year of basketball under Coach Glass because he is such a superb coach."

Marvin Ross — "The team was really great this year and I hope someone can take my spot."

Lester Hawkins — "We were really tough this year and we wish to give our luck to the freshmen next year."

Freshman Basketball players were: **Row 1** (l-r) Marvin Ross, Lester Hawkins, Anthony Maclin, Tony Tipton, Mitchell Matthews, Vernon Johnson, Marvin Somerville. **Row 2** (l-r) Stephen McGariety (mgr.), Calvin Foster, Tim Holland, Donald Lyons, Mike Holland, Eric Adams, Darrell Hartzog, and Arthur Somerville (mgr.).

Basketball Awards

Wilson And Robinson Win Scholarships

The 1981-82 basketball banquet was held at the Cotton Bowl Restaurant, and basketball players and cheerleaders were honored for their hard work during the season.

Coaches **Tom Barton** (standing far left), **Glenn Tackett** (standing second from right) and **Steve Hay** (standing far right) watched with pride as their players displayed the awards that they had earned. (Seated, left to right): **Anita Wilson** — Captain; **Veronica Robinson** — Hustler Award and Most Valuable Player; **Sandra Rose** — Best Defensive Player and Most Improved Player. (Standing, left to right): **Willie Holland** — Best Free Throw Percentage and Co-MVP; **Andre Alston** — Captain and Co-MVP; **Bob Williams** — Hustler Award. Not pictured are **Perry Adams** — Co-MVP and **Ray Matthews** — Best Defensive Player.

CHEERLEADERS GIVE COURT SUPPORT

"It Takes Nerve!"

1

Although there were only six varsity cheerleaders this year, the basketball cheerleaders of 81-82 succeeded in providing excellent "court support." All the girls agreed that keeping up good squads takes hard work, and **Kristie Glass** said, "It takes a lot of nerve to get in front of a crowd and scream your brains out!"

None of the girls took issue with Kristie, but junior **Kathy Boswell** said she would remember the fun of cheering in the stands at the district tournament, and freshman **Lisa Stafford** said she would never forget the friends she made.

Spring Means . . .

Spring usually means baseball, but from this year on it will also mean softball. Coach Donna Luckey siad, "The girls did well, but the main thing was the experience they gained." Although the girls had a trying season, they were proud that they beat Dyersburg, the # 1 team in the district. Next year's team will consist mostly of returnees, and Coach Luckey said that she is looking forward to the '83 season.

Way To Go Chargers!

Success was the word to describe the 1982 Baseball Chargers. After winning 15 straight games, they advanced all the way to the state quarterfinals making short work of such teams as Dyersburg, Millington, and Germantown on the way. The team, coached by new head coach **Henry Glass** saw its season come to an end, however, after a hard fought loss to Christian Brothers by a score of 5-2. The Chargers finished the season with an outstanding 21-3-1 record.

Puff! Puff! Puff! That was not a train you heard. It was the girls on the CHS track team as they practiced running, jumping, and leaping.

The team experienced the usual ups and downs, but one of the high points of the season was the Ripley meet. At this event, The Chargers finished 5th out of 21 teams. Another high point occurred when **Tammy Dickson** jumped 16'2" to take 9th place honors at the state track meet.

It Takes Dedication

1

A boys' Cross Country team was formed at CHS in the fall of '81. The team, consisting of 8 runners, went to 3 meets and learned that running across fields and through woods was a true test of endurance and dedication.

Track and Field gave CHS students the opportunity to get in shape this spring. The team didn't start season training until 2 weeks before the first meet, and it had not yet reached its top form before the season ended, but improvement was seen from meet to meet. **Derex Stitt** brought honor to the team when he placed 3rd in the 220 yard dash at the regionals.

For the first time in the history of CHS sports, the Chargers organized a golf team. The team ended the season with 1 win and 9 loses, but **Coach Glenn Tackett** siad, "We are young compared to everyone else. We are building for the future as evidenced by the five freshmen on the seven man roster."

Love-15! It's not the way it sounds. It's a tennis score, and this year's students with good **forehands, backhands,** and **serves** could become members of Covington's tennis teams. The girls' team showed dedication, and the boys' team displayed enough talent to finish 3rd in the district. One member of the boys' team, **Robin Robbins,** demonstrated exceptional skill and advanced to the regional tournament.

Coach Steve Hay guided the teams and he said that he thought both teams did well for their first season.

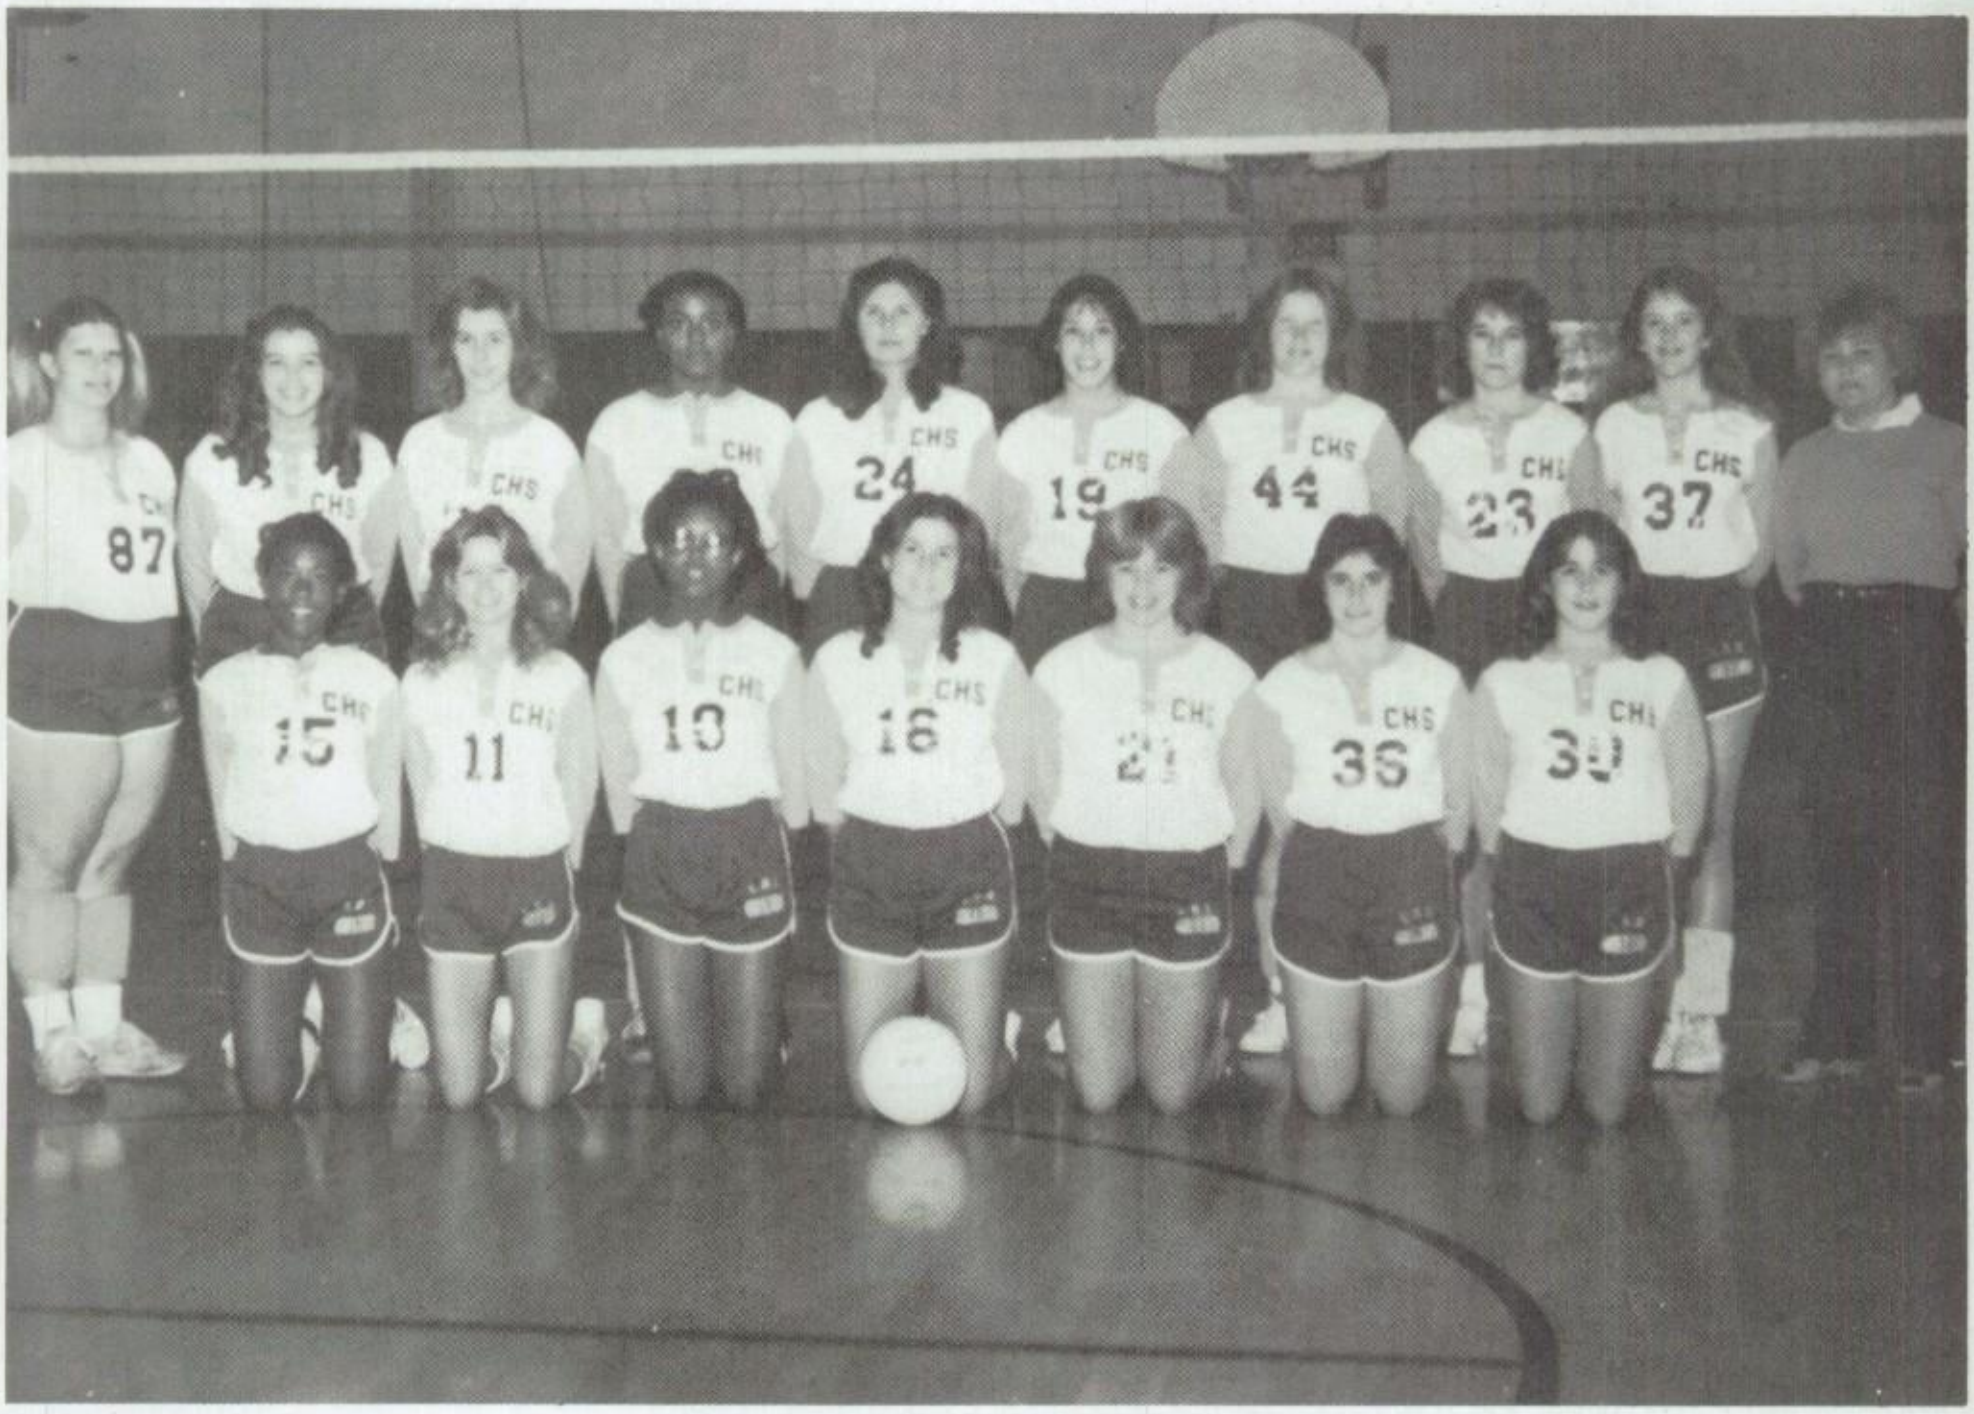
NEW SPORT AT CHS

VOLLEYBALL TEAM GAINS EXPERIENCE



After several years of trying to generate interest in volleyball at CHS, Coach Donna Luckey finally succeeded in organizing a girls' volleyball team. Since the team consisted primarily of underclassmen, Coach Luckey predicted that next years' experienced team would have a winning season. She said, "The girls really improved during the season and should be prepared for a long and hard spring practice."

When asked about her first volleyball season, **Lisa Ferrell** said that she would long remember going all the way to Jackson and finding out that somebody had forgotten to put water in the jug. Senior **Ruby Hawkins** said that she would never forget the Jackson Northside game: "It was our first and only win."

Grease Is The Word

The people of Covington returned to the "fifties" on several nights in December when the Covington High School Players presented a fun-filled production of **Grease.** It was a great success, selling out all four nights.

A live band consisting of **Mr. Russell Phelps, Mr. Jim Smith, Kathy Young, Dan Bryan, M.C. Wilder,** and **Deanna Rone** provided music for the play which centered around a summer romance between two teenagers played by **Mark Wylie** and **Lindy White.**

Miss Avonne Wortham, director of the play, said: "The cast did an excellent job, and I would like to thank **Mr. Bob Wolle** and the A.I.A.S.A. club, **Mr. John Walker, Mrs. Harriett Fleming, Jeff Erwin,** and all the other teachers, students, and administrators who helped make the play such a success."

SPIRIT MANIA

(1) **Lisa Ferrell** and **Trisha Marbry** learn to edit and type copy.

Is that copy typed? ... Who stole my layout? ... Where's the liquid paper? ... That was my ruler! ... All of these were common statements on days when the deadline heat was on. People rushed in circles scattering papers wildly about the room and typewriters tapped hastle in anticipation of rest. Finally all was complete and hopefully accurate. As we all sit in the aftermath the room seems strangely quiet, papers lie here and there, and we pass the bottle — the aspirin bottle that is.

Student Council A Busy Body

Problems Solved And Parties Planned

1

In an effort to strengthen relations between the student body and the administration, Student Council members worked to relay students' problems to Mr. Hensley. The Student Council also arranged Homecoming activities revolving around the theme of famous books. At Covington Park and Recreation Center, Student Council members presented their annual Halloween carnival and skit for children of the community. At Christmastime, the Student Council, working with the National Honor Society, took fruit baskets they prepared to the residents of Covington Manor. With all the problem solving and party planning, the Student Council certainly was a **BUSY BODY!**

Going To Market

Many students who took marketing were also members of the Distributive Education Clubs of America. The CHS chapter began the year by placing first in the Homecoming parade, succeeding with the theme "101 Uses For a Dead Cat."

Eight members attended DECA's Region 4 Round-Up held at Camden, Tn. Relays and races were the events of the day. The CHS chapter received a trophy for traveling the farthest.

A haunted house constructed at **Tammy Vandiver's** house was the setting for the club's Halloween party, and DECA members delivered Valentine's Day candy to employers in February.

On March 15th, fourteen DECA members attended the Regional Conference in Jackson, where they put their job-related skills to the test. Both **Michael Atkins** and **Allen Ferrer** came home with ribbons, and Michael Atkins placed high enough to advance to the state level. **Tracey Beasley, Michael Atkins, Carole Schuster,** and **Trudy Trantham** attended the state conference, and Trudy ran for state vice president.

After a very active year DECA held its annual employer-employee banquet on May 24. Following a fine dinner, awards were presented, and appreciation was shown to the many businesses who employed DECA members.

Work Crews

Plumbing, surveying, electronics, and drafting were just a few of the skills that **V.I.C.A.** and **A.I.A.S.A.** members learned in the classes associated with the clubs.

Mr. John Walker was the V.I.C.A. advisor, and he directed the members who helped to build a two bedroom, one bath house on Rosedale Street.

A.I.A.S.A., led by **Mr. Robert Wolle,** also had a very busy year. Members made wooden name plaques to raise money, and the following attended the State Conference in Nashville and earned recognition for their accomplishments: **Alan Knight, Beth Wilson, Chris Byrd** — 3rd in Metric 500, **Terri Deverall** — 3rd in Safety Poster, and **Robert Ferrell** — 2nd in Industrial Bowl. Also, **Teresa Williams** was elected State Sergeant-at-Arms.

In May, A.I.A.S.A. held a cookout at **Mr. Wolle's** home to honor outstanding members. **Robert Ferrell** and **Marty Travis** each won the **G.A. Brown Service Award** for having the highest average (97) in Industrial Arts and **Beth Wilson** received A.I.A.S.A.'s highest award, **The Golden Hammer.**

Brain Power

"I want your blood!" was the slogan used by members of the National Honor Society to promote the annual blood drive among students. For their Christmas project, NHS members provided fruit baskets for the elderly at Covington Manor. As Valentine's Day approached, the honor students busied themselves by collecting $291.14 for the Heart Fund.

Of course, "Brain power" was not forgotten by the National Honor Society. In recognition of their unique talents and contributions, the NHS elected **Tim Cousar** and **M.C. Wilder** to take part in the National Scholarship Programs.

In addition to "brain power" NHS also demands that its members excell in citizenship, service, leadership, and character. New members meeting these high standards were inducted into the NHS on May 10th.

Alpha Omega's purpose was to bring Christian influence to school activities. Fantastic Future Farmers

If awards are any indication of future success, farming in Tipton County is in good shape. Under the direction of **Ted Turner,** and **Mary Jane Dennis,** Covington's future farmers placed first in the district in supervised farming, livestock judging, dairy judging and crop production. The parliamentary procedure team placed second in district competitions and the skills team took third place honors.

Covington's future farmers also did well at the West Tennessee level. The dairy judging team placed fifth and **Todd McIntyre** placed third in soybean production. The livestock judging team placed first in West Tennessee and will compete in the state contest.

In May, several members attended the State F.F.A. banquet in Gatlinburg and toured the World's Fair in Knoxville.

"Superior" and "excellent" were the words most often used to describe the CHS Chorus. At the music contest in Jackson, for example, CHS participants received 17 superior and 26 excellent ratings. Also, the chorus received an excellent rating and the A Capella choir received a superior rating along with a sweepstakes trophy at competitions held at Memphis State.

In addition to participating in competitions, the chorus was busy performing several concerts and programs. In particular, "Music in May" and "A Salute to American Music" provided many entertaining moments.

What's Cooking?

Members of the Future Homemakers of America were always cooking up new ideas. The club began the year with a membership drive, and 75 students joined the organization. Later in the fall, members sold candy to raise money for various activities. Congratulations went to **Rose Kent** and **Sherri Walker** for selling the most sweets.

On May 18th members and guests gathered for the FHA Banquet and Fashion Show and selected **Alfreda Herron** as Miss FHA.

Several other students were also recognized for their unique abilities and accomplishments. **Rose Kent** was chosen as the outstanding member of the club, **Lisa Williams** won 1st in the annual poster contest, **Darlene Burnett** was elected president and **Debra Hall** was named vice-president at the Sub-Regional meeting. Ten girls were also selected for national homemaker awards. The hardworking ten were: **Amelia Coleman, Zina Dickson, Linda Elins, Teresa Hennings, Ruby Farrow, Sheryl Hawkins, Alfreda Herron, Rose Kent, Teresa Malone, and Lozzie Payne.**

Horns up! At this signal music filled the air and formations made of band members appeared on the field. At the homecoming the formation was a heart and during the rest of the season audiences were treated to many colorful scenes.

At Christmas the Charger Band went to Brighton and placed first with the song "The Sound of Angels." The band also entertained the town of Covington in the parade here.

The Strawberry Festival at Humbolt proved a challenge for our band and they placed second out of 16 bands.

Janet Clowes and **Phyllis Wright** made the **All West Band,** and **Mike Young, Wayne Gray, Lynn Hartsfield,** and **Lynnelle Knipple** were elected to serve as band officers.

STEPPIN' TO THE MUSIC

1

Right Shoulder, Arms! Order, Arms! These were a few of the commands you would have heard if you had watched a practice session of the CHS Color Guard. Rifles, and purple, white and gold flags whipped precisely through the air as the girls practiced for the various shows, parades, and competitions.

The hard work payed off, however, when the guard traveled to the Dyersburg Field Show. At that competition, the guard earned a superior rating for the first time in the history of the CHS Auxiliary! The girls also did well at the Strawberry Festival in Humbolt. Performing to the theme song "Superman," the guard captured 3rd place honors in the competition.

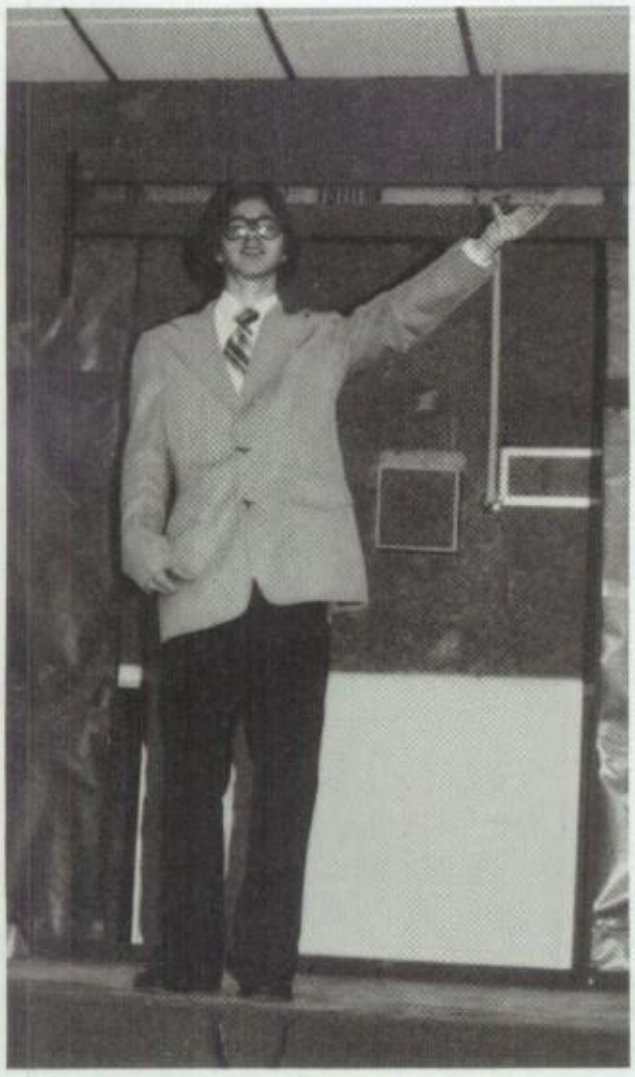
WHAT'S HAPPENING?

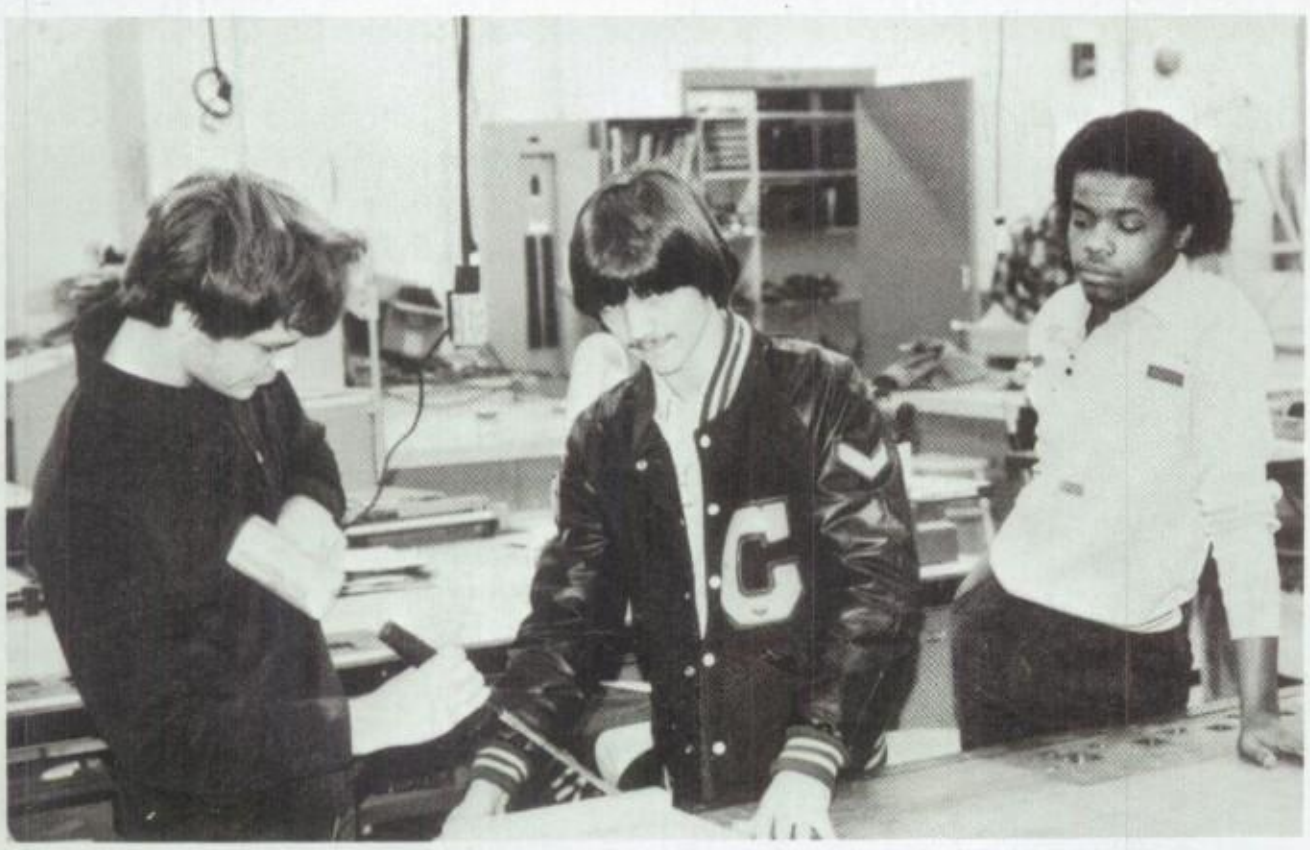
Keeping track of things at Covington High was a big job. Several students helped out in the office by answering telephones, collecting absentee slips, delivering messages, and running errands. The **Charger Card** kept us "in the know" by giving us all the news about sports, clubs and awards. Finally, the senior edition of the **Spotlight** informed us about the top ten graduates and gave us a chance to read each senior's last will and testiment.

In the photo above, the spotlight is on the **Spotlight Staff!** (Row 1): Elaine Smith and DeeAnne McKenzie. (Row 2): Susan Cranford, Darlene DuPriest, Nancy Boyd and Mrs. Monteene Yarbro. (Row 3): Todd Lee and Jeff Erwin.



ACTIVITIES ETC.

"I did my homework, but I left it in my locker, and my locker partner has the keys, and he didn't come today, but I promise I'll bring it tomorrow!"



"How was the history test? Did you have to know all the Presidents? What do you mean you had to know about the League of Nations? What's that?"

"Hall pass? Gee — I had it just a minute ago. Maybe I left it in the bathroom. I promise I'll go straight back to my class."

DO YOU REMEMBER?

The 81-82 school year is over! The last few weeks were hectic and a bit unusual. The seniors got out a week early, and several of them couldn't resist "visiting" CHS. Of course, they had to crank up their radios and squeal their tires just to let everybody know how happy they were to be out.

The rest of us tried to settle down and study for our own final exams. They were two hours each this year, and many teachers seemed to think that was enough time to ask **hundreds** of questions.

Somehow, we all made it to May 28th, and those of us who will be returning in the fall know that we'll be coming back to a brand new school!

The annual staff hopes that the **'82 Spirit** will help everyone remember this last year at good, old CHS, and we would like to take this opportunity to extend a special thank you to **The Covington Leader,** Mr. Hensley, Mrs. Fleming, Mrs. Moore, Ms. Wortham, Mrs. Underwood, Mrs. Glass, Ms. Wilbur, and all those who purchased ads.

You are the wierdest person I believe that I know. I don't know why you saved this whole or hole (however to spelled!) page for me cause I can't think of nothing to write. I could lie some but if I did I'd be telling a lie! Ha! Ha! I could say stay sweet but being sweet is out of your range. And then I could say you pretty but you know the story to ~~that~~. But on the Brighter side be happy that your my ~~Bestest~~ friend I got.

In your last year of school you should behave, and on graduation night I'm gonna embarrassed the hell out of you.
